Dear Parishioners of St. George Cathedral of Western Mass:

After much deliberation and consideration from many sources, the entire Parish Council collectively and unanimously decided to **cancel this year 2020 Glendi Celebration**. The Council scheduled early on when the Pandemic first arose that we would make a final decision towards the end of May. We fully understand what it requires to prepare and to put on this large event.

In order to fully protect our Parishioners and attendees and not subject them to any risks posed by this Pandemic, the decision which albeit was difficult, was also clear. We thank all who were involved in culminating this information, helping us come to this important conclusion. We look forward to working with everyone on the 2021 Glendi celebration.

Respectfully,
St. George Parish Council
